

# SOCIAL ACTIVITIES

At Arunima, we have vowed to give our service users, or friends as we call them, the best life possible. Every Saturday, no matter the weather, we plan different learning excursions. We believe that it is imperative that our friends have constant exposure to experiences that may have been withheld from them in the past. Due to the lack of understanding of disabilities in India, a lot of people with disabilities are kept at home, away from people, crowds, or anywhere where they would be perceived differently.

In the last year, our expenditure on social activities and learning excursions were as follows:

- Meals/Food expenses:35,165
- Entry Fees/Tickets: 41,849
- Fuel Costs- 4,000

Total: **99418**

We have increased our budget this year to be able to expand the experiences for our friends. Our current need for our Learning Excursions/Social Activity fund is **Rs. 1,58,500**. Please help us make life at Arunima as exciting and experiential as possible!
