

WHAT AFTER BUS?

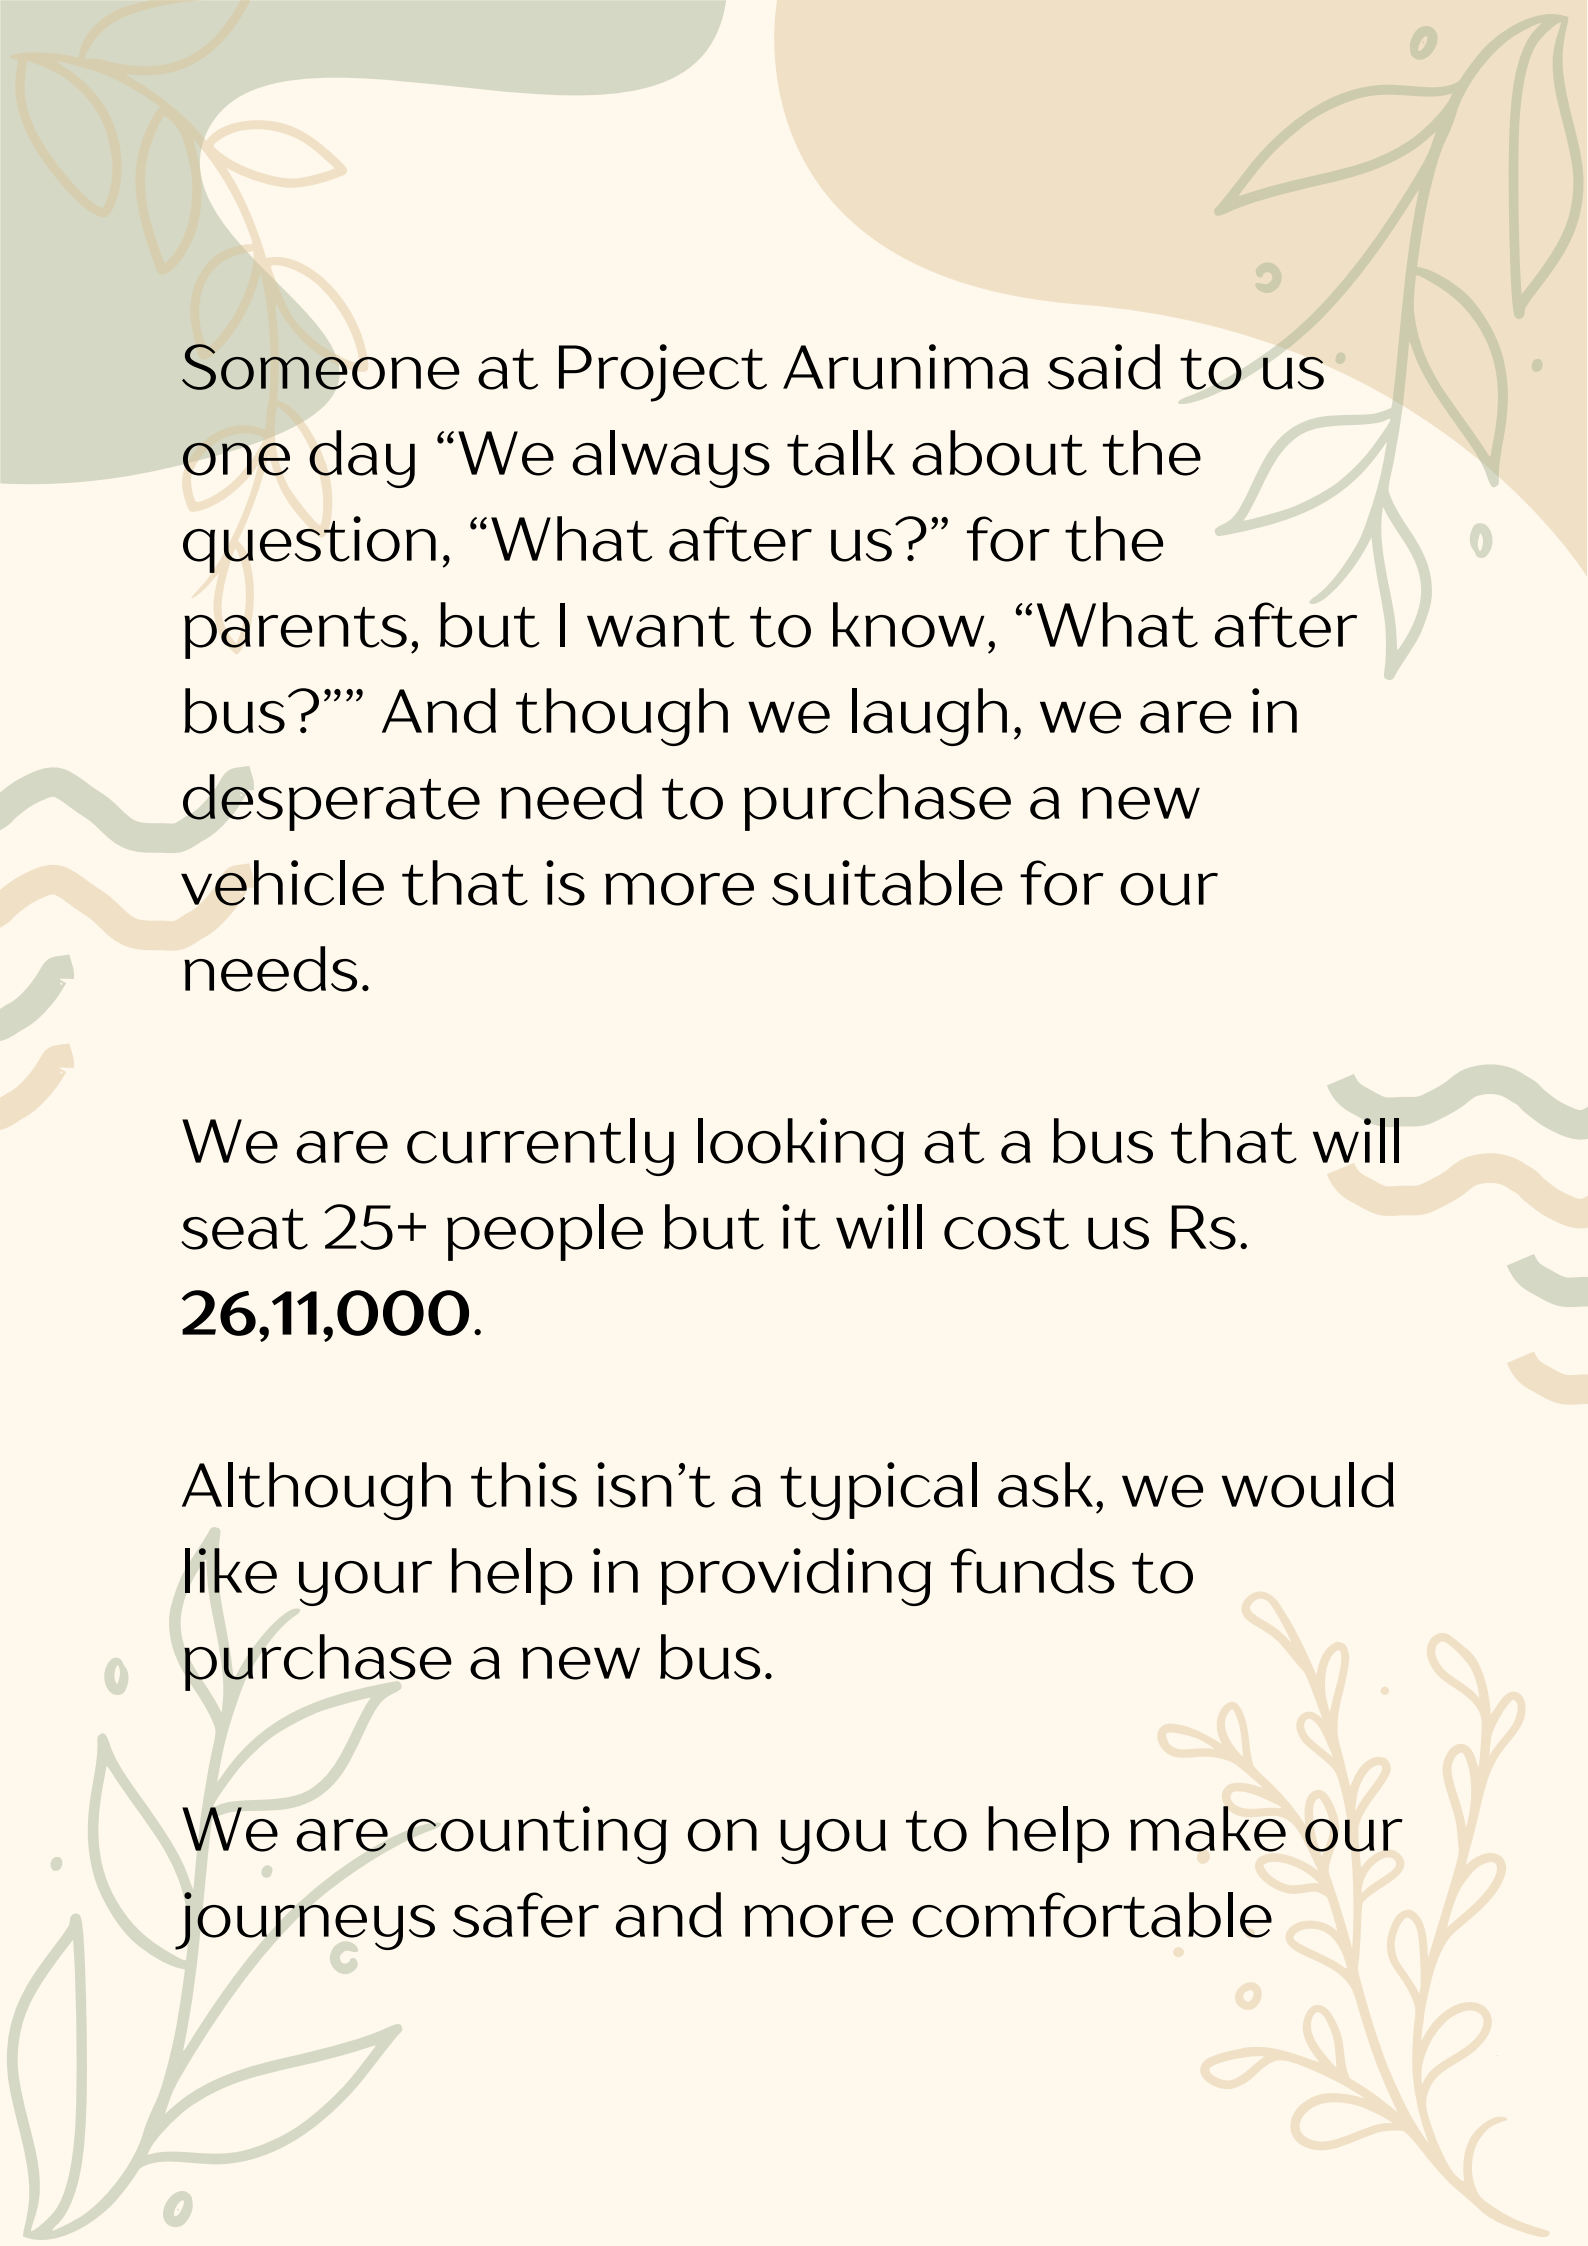

Bus funding proposal

We are writing to you to request your help in obtaining a new bus/traveller for Project Arunima

Our bus has been with us since 2016 and although it has taken us all over Dehradun, it is slowly giving up on us!

- This financial year alone we have spent close to **Rs. 2,30,000 on maintenance** for the bus as it is constantly breaking down.
- This bus is designed to be an **18 seater**, but due to shortage of space, we often cram **over 20 people** in, some of which have to stand throughout journeys. Not only is this a safety concern, it also puts a lot of strain on our bus and contributes to the problems created.
- The seats are **coming apart** and our doors take 3x the usual force to shut.

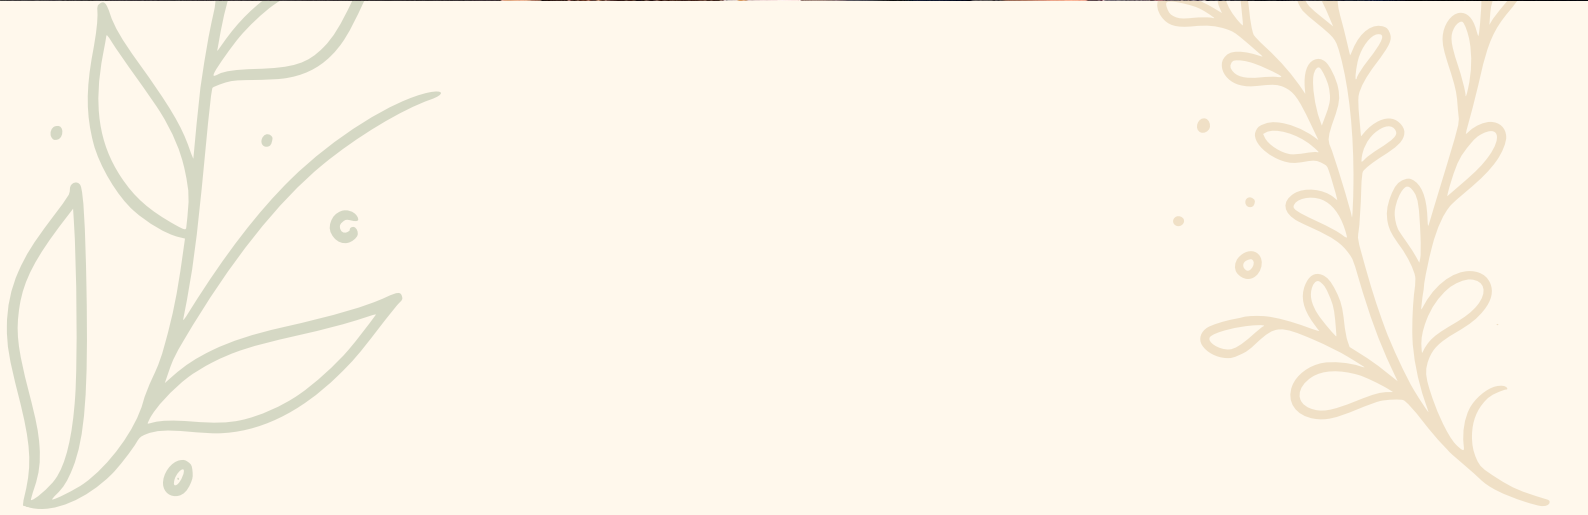

Someone at Project Arunima said to us one day “We always talk about the question, “What after us?” for the parents, but I want to know, “What after bus?”” And though we laugh, we are in desperate need to purchase a new vehicle that is more suitable for our needs.

We are currently looking at a bus that will seat 25+ people but it will cost us Rs. **26,11,000.**

Although this isn't a typical ask, we would like your help in providing funds to purchase a new bus.

We are counting on you to help make our journeys safer and more comfortable

**To help us have a
successful year,
donate here!**
